

CALIFORNIANS LOSE IN TENNIS

Westerners' Hopes Go Glimmering in Annual Competition at Lake Forest.

Lake Forest, Ill., Aug. 19.—California's hope in the 25th annual lawn tennis championship went glimmering here Wednesday when Ward Dawson, Los Angeles, was beaten in the fourth round by the Illinois and Northwestern champion, Heath Ryford of Chicago, 7-5, 6-0, and Kenneth Hawkes, Los Angeles, was eliminated in a heated first round match by a Chicago youngster, W. A. Fetterer, 6-4, 6-4, 7-5.

Only one out of town player remained in the men's singles at the conclusion of the day's play. This was Clifford J. Lockwood of Kansas City, who won from J. J. Forstall of Chicago, by default after the Kansan had won the first set, 6-2. Forstall preferred to play doubles.

The first set in the Ryford Dawson match was brilliant, with wonderful rallies and placements, Dawson failing in the last two games of the set which Ryford won without giving his opponent a point. Dawson slumped completely then and the second set went to Ryford 6-0. Dawson's second point after point into the net. Ryford was the more certain the placing game.

IN BOYLAND

BY TOM CLEMENTS.

SCHEDULE for the Saturday and Sunday games follows:

Class "B" Saturday League—Oaklands vs. Westside Juniors at 8 o'clock, Saturday morning, Rio Grande park.

Class "B" Saturday League—Oaklands vs. Cactus Motor company at 9:30 o'clock, Saturday morning, at Rio Grande park.

Class "B" Saturday League—Walt Juniors vs. Westside Juniors at 11 o'clock, Saturday morning, at Rio Grande park.

Class "A" Sunday League—Richards Parks vs. Westside at 2 o'clock, Sunday afternoon, at the Foundry grounds.

Class "A" Sunday League—Myrtle Avenue Stars vs. Houston Squares at 2 o'clock, Sunday afternoon, at Washington park.

Class "A" Sunday League—East El Paso Juniors vs. Aoy Juniors at 2 o'clock, Sunday afternoon, at Washington park.

The game between the East El Paso Juniors and the Aoy Juniors, on Sunday, should be a good one, since both have very recently received checks in their streaks of winning and both would like to start in on new strings. If the Aoy have their regular team with their regular pitcher, the chances of the East El Paso seem rather slim, but still, no matter what the odds, any one going out will be sure of seeing a hard fought game.

Walt Juniors were defeated in their last game, but they are not desponding, and they expect to win on Saturday. The reason for this is that they still have a little chance of their climbing much higher, but they are having a record that is not likely to be forgotten soon.

REPUBLICAN REGISTRATION PUZZLES COCHISE DEMOCRATS

Tombstone, Ariz., Aug. 19.—Many Republicans in Cochise county are registering as Democrats and it is proving a puzzle for the Democrats. Are they registering to nominate Hunt or defeat Hunt? is the question asked. Tom Campbell is the choice of the Republicans to carry here and daily growing stronger in Cochise county. No matter who is nominated to oppose him, Campbell, it is believed, will either carry Cochise or come so close to it that it will be a "neck and neck" fight.

Surprise is manifested by political leaders of both the Democratic and Republican parties that the registration for this county should be smaller than two years ago at this time. It is probable that there will be a big jump in the figures after the primaries, however.

MAN PILES TIES ON TRACK BELIEVED TO BE DEMENTED

A man giving the name of Frank Long and thought to be demented, was arrested in the El Paso and Southwestern railway yards Thursday morning while engaged in piling a number of wooden ties on a track.

Long refused to give any explanation of his actions.

FOUR MEXICANS HOLD UP AMERICAN ON SOUTH SANTA FE

Four Mexicans, one of whom was armed with a pistol, held up Jack Matthews, an employee of the Empire Bottling works on Santa Fe street near Sixth late Wednesday night, according to the story told by Matthews.

Nothing was taken by the Mexicans who searched him.

HOPES EXPOSITION WILL MAKE HIM CHAMPION

Malone, 125-pound Champion Amateur Boxer of Utah, Idaho and Montana, Who Hopes to Be Far Western Champion at the Field Meet to Be Held by the Panama-California International Exposition at San Diego August 18 and 19.

The Inter-Mountain Amateur Athletic Union Association, which includes athletic clubs of Utah, Idaho and Montana, expects to be heard from in the coming Panama-California International Exposition amateur boxing championships and far western track and field meet to be held at the stadium under Exposition auspices August 18 and 19. One of the strongest contenders for honors for the inter-mountain clubs is Malone, 125-pound champion of these three states.

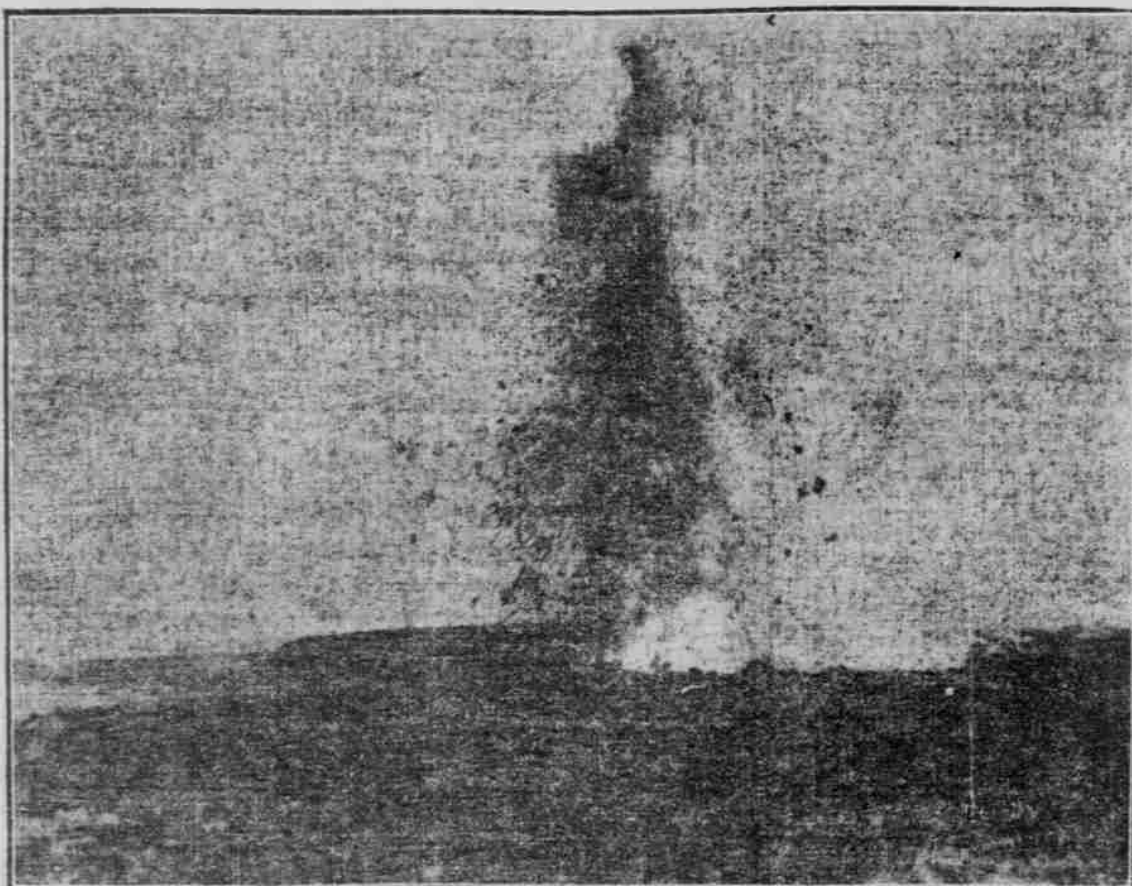

Malone is credited with being a fast, scientific and rugged youngster capable of making the best 125-pounder on the coast extend himself. Jimmy Woodward, the 125-pounder from Los Angeles, who was beaten in the semi-finals in the far western meet last year, will be one of the main contenders to make Malone's record. Malone will have to track Joe Machado and Harley Maloney will be two fast 125-pound boxers representing the I. O. F. lodge of Los Angeles.

LIQUOR MEN LOSE IN FIRST OF 350 LIQUOR CASES HEARD

Tombstone, Ariz., Aug. 19.—Of the 250 liquor selling cases which have been set for trial at this term of court, the liquor sellers have fared badly in the initial rounds. There have been two pleas of guilty, two convictions and three mistrials, but the strange thing about the mistrials is the fact that each of the cases stood ten to two for conviction. It is pretty well known that the liquor sellers are hurting their side of the case because public sentiment is changing and if it kept up, it is the opinion of many that "Old Cochise" will swing into the dry column this fall. There are two liquor propositions on the ballot in November, the one for local option and the other for total prohibition. In the event of either one of those carrying, the so-called personal use law goes into the discard and the only way the personal use advocates will win is in the defeat of both the dry and the local option laws.

5 GENERATIONS IN ONE FAMILY

Baby Has Grandmother, Great Grandmother, Great Great Grandmother.

With the birth of a baby son to Mr. and Mrs. S. D. Hambaugh, there are now five living generations in the family. This is something almost unheard of, according to those who have made a study of such things. Four generations are not considered any too common, but five are very few.

The young man is the grandson of Mrs. A. J. Strayer, of El Paso, and Mrs. Strayer's mother and grandmother are both living and in good health, making five generations in the one family still living.

The great great grandmother of the newly born babe is Mrs. Mary Ann Latham, aged 90 years, living at present at Albert Lea, Minn.

The great grandmother of the baby, mother of Mrs. Strayer, is Mrs. Georgia S. Squier, aged 61, residing at Santa Ana, Cal.

Mrs. Strayer, the grandmother of the baby, is but 42 years of age.

The mother was formerly Miss Pearl Strayer, well known in the younger set in El Paso prior to her marriage to Mr. Hambaugh a couple of years ago. The young mother and son are doing well and grandpa Strayer is one of the happiest men in El Paso. He is so happy that he is going to turn over the business of the National Cash Register company at El Paso to subordinates and take Mrs. Strayer and go out to the coast the latter part of the week for a swim.
